From the President

Hi, I'm Izumi Ishikawa, the new president of the Melbourne University Japanese Club, 2008-2009. On behalf of our committee, I wish to welcome you all to the Japanese Club. I am currently studying the 2nd year of Environment Studies in Bachelor of Arts, and I have been a member of the MUJC since first year! Being part of MUJC, especially attending weekly-held 'Kaiwa' (conversation sessions), has enabled me to make new friends, and get to know more about both Australian and Japanese cultures. As a new MUJC president, I am enthusiastic about

Right: First Nomikai for 2008
2008年の初の飲み会。
Left: Kaiwa (our weekly gathering)
毎週開催される「カイワ」

creating fabulous opportunities for people to know more about Japan through Kaiwa, Nomikai and other events. Please don't hesitate to ask me if you have any questions or suggestions, I am more than happy to be of assistance!

新しい日本クラブ委員長として、頑張ります!! 皆さん、ぜひ日本クラブに足を運んでみてください。

どんな活動があるの？

What kind of events does the club run?

In second semester, we held approximately four events per week. Every week we hold **Kaiwa** (formerly known as Conversation Sessions). Kaiwa is a great opportunity for native Japanese speakers to meet learners of the Japanese language (and vice-versa). Attendance varies from 20 ~ 100 people each week. Participation is free. Snacks are provided. Other events include:

- **Calligraphy classes** – Hongo-sensei kindly teaches us how to gracefully master the art of calligraphy. A fee is required for calligraphy classes to cover the cost of materials.
- **'Rakuen' Dinner and after party** – the best 食事会 and 二次会 in town.
- **Yakiniku dinner**
- **Nomikai (drinks nights)** – we often hold these with groups of visiting Japanese students from Japanese universities.
- **Tea ceremony** – formal and casual methods are taught by an expert instructor.
- **Budget Travel information sessions** – some of the club's seasoned Japan-travellers give you hints and tips to make the best of travel in Japan
- **J-Drama screenings** – weekly screenings of Japanese television series
